July 2011

Welcome to the July edition of the Majors Creek Community Newsletter. Many thanks to those who continue to send a small contribution towards the newsletter and other projects in the village over the past months. This is much appreciated.

CWA Garage Sale

On Saturday 28th May and 4th June the ladies of the Majors Creek held a monster garage sale in the local hall. This was made possible by the donation of a wide range of goods received from the local community. A brisk trade was done over the two days. Tea, Coffee and pikelets were also available for those wishing to stay for a cuppa and a chat.

The CWA ladies are most grateful for the support of the community for their donations, support and help.

The proceeds of this sale will help this small branch now in its 75th year with their commitments to Group and State levels and also make contributions to various worthy causes.

Mowing

Many thanks to those responsible for the ongoing mowing and maintenance on the Rec Ground. This is greatly appreciated at all times.

From the Past

In 1976 a Gold and Waterfall Festival was held over two days to commemorate the 125th Anniversary of Gold Discovery in the village. A large number of people attended including many old residents. Two bands supplied the music for continuous dancing on the Saturday night. For the occasion a Recipe Book was compiled with many residents at that time contributing recipes. As there is only a couple of these books still in the village, Brian and Deirdre McDonald have reset it into a book form with the vision of it being reprinted and available at the next New Years Day Picnic.

Soccer

Majors Creek Recreation Ground was the scene of a round of Soccer by the Braidwood Soccer Club on Saturday 4th June. Children of all ages converged on the ground on a cold winters morning awaiting their turn to play. Majors Creek Progress Association looked after the sausage sizzle, tea and coffee etc. Many thanks to those who helped with the canteen. Another round will be play at Majors Creek in August.

Old Photos

Many descendants of pioneering families continue to be in touch seeking information in regards to their ancestors. Many old photos of our pioneers are being received which are greatly appreciated and will eventually be included in a collection for future generations. The latest being Wiltons, Camages, Archer/Routley, Cook and Keyte families. If you have any old photos please contact Brian McDonald. 0248461157 or macdon7@bigpond.com.

Throstle Nest

Ken Old of Burra NSW has recently compiled his family history and had it published in a novel *Throstle Nest*. Part of Kens history is based on Majors Creek and WW Slade. Slade's name can be seen on the old Majors Creek Village map as being owner of various blocks. He was also the butcher in the village. A chapter in the book is on Majors Creek. Well worth reading. Brian McDonald has a copy and is only to pleased to loan it to anyone who is interested.

NEW BROOM SWEEPS CLEAN

Following a request a new broom has been purchased to sweep the new tennis court. Please insure that when you are finished sweeping hang the broom on the fence for the next person to use. During the recent wind a lot of pine has built up inside the fence which will need to be cleaned up. Your help in maintaining and keeping this court clean will be greatly appreciated.

ANNUAL NEW YEARS DAY PICNIC

Next year marks to 150th anniversary of the picnic and plans are in hand to make this a reunion picnic. More in the next issue.

We thank Graham and Donna for their contribution to the community through functions, raffles etc at the hotel and look forward to their continued involvement in our village community.

Garden of Remembrance

Ray McCarron 1944-2011

The village was saddened to learn of the passing of Ray McCarron on 18th April at Burleigh Heads Queensland. Ray was the son of the late Col and Heather McCarron who were regular visitors to the village over many years. Since his parents passing he continued to support the Annual New Years Day Picnic and the Men's Race in memory of his late father.

Ray will be missed around Christmas New Year when he would make the pilgrimage to Majors Creek staying in the old Jury family home.

To his family we offer our sympathy.

On Wednesday 6th July members of the Majors Creek CWA Branch gathered to make Trauma Dolls. Ladies from various branches make these dolls made from calico and are distributed to Hospitals for children who are sick, broken limbs etc. who can then draw faces, broken limbs etc on the dolls.

Local Happenings

Some residents do not receive mail at the Mail Agency and therefore don't receive letter drops etc advising of goings on in the village. Since last newsletter we see that letter boxes are appearing. To the different groups in the village please use these boxes to get the messages to those people. **Thank you.**
